

LICS Certification Scheme

Certification Procedure for Translation Service Providers

pursuant to

EN 15038

Language Industry Certification System

Release date: V3.0, 2009-10-01

© Austrian Standards plus Inc., Heinestrasse 38, A-1020 Vienna, Austria

1 Scope

This certification scheme specifies the procedure employed by Certification Bodies under the auspices of the Language Industry Certification System to certify services of translation service providers with respect to their conformity with the European Standard EN 15038:2006-08-01.

This certification scheme applies also to the certification of One Person Enterprises (OPEs) in the case of which specific provisions may apply.

Certification is based on the principles of EN 45011; the terms and conditions of the LICS apply.

2 Application

2.1 The Applicant must file an application using the form provided according to the terms and conditions of LICS.

2.2 The Applicant must appoint a certification agent who will act as a contact person for the certification process and also during the entire term of validity of the certificate.

3 Documentation

Before the audit is carried out according to section 4, the Applicant must provide documentation on the service to be certified. This documentation must contain the following

- Name of the Applicant, including addresses for all business sites (if applicable),
- Description of the Applicant, including company profile, any specializations, etc.
- Documentation pursuant to Annex A regarding compliance with the requirements of EN 15038.

In case the applicant is an OPE and he/she wishes to apply the OPE audit conditions in accordance with clause 4.5:

- Documents proofing the qualifications and professional competence of the OPE owner in case if he/she acts as translator him/herself,
- Documentation on the facilities used by the OPE used for service provision; this documentation shall include a photographic documentation of the OPEs premises.

4 Audit

4.1 The audit shall be carried out by a Lead Auditor. A Lead Auditor is a qualified auditor who has in-depth knowledge of EN 15038 and experience with translation services.

4.2 The Certification Body and the Applicant will achieve consensus concerning the person of the Lead Auditor.

4.3 The audit shall be carried out in accordance with Annex A. If the audit requires supporting documents based on reference orders executed by the service provider, it is the responsibility of the auditor to specify these from the orders executed within a 24-month period prior to the audit.

4.4 The audit will be performed taking into account the size of the translation service provider.

4.5 In case the Applicant is an OPE and upon the request of the OPE, the audit may be performed off the premises of the OPE provided that the Applicant is able to provide access to all relevant documents and records required in order for the auditor to evaluate the conformity of the OPEs services and the qualification of the OPEs

collaborators (e.g. revisers, reviewers). The access to the OPEs records provided by the OPE shall be such that sampling by the auditor is made possible.

5 Issuing the Certificate

The positive assessment of the audit pursuant to section 4 is the prerequisite for the issuing of the certificate.

The certificate is valid for a period of 6 years.

6 Maintaining the Certificate

In order to maintain the license to bear the issued certificate, intermediate audits shall be carried out by the Lead Auditor on a 2-year period bases.

The intermediate audit shall be carried out in accordance with Annex A.

7 Extension of the Certificate

In order to extend the validity of the certificate, the steps set out in sections 2 through 6 must be followed.
